

55th Senior Nationals Live on the ETTA

Author: Paul Stimpson

Posted On: February 28, 2014

The 55th English Senior National Table Tennis Championships begins on Friday (February 28, 2014) and you can keep up-to-date with all the latest news, results and reaction right here with the English Table Tennis Association.

Play kicks-off at 13:00 on Friday with the Men's and Women's Under-21s and we'll provide coverage throughout the three days of high-class action from Ponds Forge International Sports Centre, Sheffield.

Watch

You can watch live action throughout the weekend on the [ETTA YouTube channel](#) with the dedicated live feed broadcasting table 2 at the National Championships. Coverage will commence with the Women's Under-21 group including defending champion Tin-Tin Ho, Evangeline Collier, Isobel Ashley and Olivia Churchill before the Men's Under-21s takes over, beginning with Helshan Weerasinghe, Josh Robinson, Jack Dempsey and Ashley Facey-Thompson.

Commentary will be provided from a range of sources including National Coach Alan Cooke and Paralympians David Wetherill and Kim Daybell.

Interact

Get in touch via our social media channels as we'll be giving regular updates on both [Twitter](#) and [Facebook](#) where you can use the #Nationals to follow the action and tweet your replies. We'll also keep you updated with the latest live stream schedule which may change throughout the course of the weekend so make sure you stay online to keep track of your favourite players.

Inform

Our [dedicated National Championships website](#) will provide the [latest results](#), [schedule](#), reports and [archive](#) material for you to monitor the progress of the tournament at your own leisure.

Attend

Do you have a free weekend and are wondering what to do? Well, if you're around the Sheffield area you can pop into the nationals at any time and pick up a cheap ticket. Entry is free for everyone on Friday and [full ticket information can be found here](#).

Prepare

Get yourself ready for a weekend of action by seeing when all the action will take place by [viewing the draw here](#).
