Keighley Table Tennis Centre is holding a 24-hour table tennis marathon this weekend in aid of the Teenage Cancer Trust.

The event, which starts at noon on Saturday 3rd May, was organised as a way of helping to pay back the charity for the fantastic support they gave teenager Jethro Rainford when he battled cancer a couple of years ago.

The early hours of the marathon will feature organised games, followed by a mass tabletop game at 6pm, before the hard slog of playing table tennis all night begins for the dedicated adults and juniors who have volunteered to do so.

Keighley Table Tennis and Recreation Centre is on the 2nd Floor of Keighley Business Centre, South Street, BD21 1SY.
