Potential coaches in Lincolnshire are being invited to sign up for a week-long course.

Lincolnshire Coaches Week (Monday 19th May – Sunday 25th May) is themed around inspiring the next generation of coaches and features a number of taster events as well as accredited activators courses to give would-be coaches a flavour of what coaching entails.

Most of the events are free but some do have a small cost to allow for input from tutors.

For more information or to book, visit www.lincolnshiresport.com or contact the Lincolnshire sport office on 01522 585580 or coaching@lincolnshiresport.com.
