Secure your place in the School Games crowd

Over 4,000 tickets have already been ordered for this year's Sainsbury's School Games by Youth Sport Trust (YST) registered schools and now you can get your hands on tickets with the latest offer ahead of the kick-off in Manchester 4-7th September, 2014.

The YST have now made discounted tickets available to purchase for all NGB member clubs of the participating sports, including the table tennis event, at the Games as well as entry to the Opening Ceremony.

The public ticket price for the Opening Ceremony and all sessions of all sports is £3 but NGB member clubs can obtain an unlimited number of tickets at the special discounted price of £1.50 per person per session ie 2-4-1.

All Table Tennis England affiliated clubs or individual members can now go to www.ssg.ticketsource.co.uk, order the tickets they require online and then enter the following discount code when prompted: 'SSG14CLUB'.

E-Tickets can be printed at the time of ordering.
