

Can you help fill the gaps in our records?

Can you help to complete a full set of programmes and results for the National Championships? There is a complete set of winners from the inception of the competition in 1960 which can be found on the website by [clicking here](#).

There are also full details of all matches from the 2005/06 season.

However, there are many years where results have not been retained and reporting has not given full details.

It would be very much appreciated if any player, official, coach, parent or supporter could supply details of missing results for the years and events listed below, even if it is only partial information, for example a result between two players. Also listed are the years for which programmes are not held.

If you can help in any way can you contact me on DianeK1414@hotmail.co.uk
