

Aerobic TT and Pink Pong team up in Liverpool

Author: Paul Stimpson

Posted On: August 12, 2014

Are you heading to the Liverpool Grand Prix this weekend? Why not join Aerobic Table Tennis and Pink Pong on Friday 15th to help raise awareness and funds for Cancer Research UK.

The event takes place at Ellesmere Port (CH66 2NU) from 7-9pm and is £5 for entry with the proceeds going to Cancer Research UK.

Along with the high-energy fitness workout experience of Aerobic Table Tennis you can join in with the Guinness World Record attempt to smash the greatest number of people bouncing table tennis balls on a table tennis bat at a single venue – currently standing at 200. The attempt will be made at a special event in 2015 with the current tour allowing everyone to practise their skills ahead of the big day.

Aerobic Table Tennis and Pink Pong are hoping to get as many people involved as possible to help introduce people to the world of table tennis, have fun and raise as much money and awareness of cancer research as possible.

No table tennis experience is necessary, the sessions are for all abilities including complete beginners.

Venue details:

Whitby High School
Sycamore Drive
Ellesmere Port
Cheshire
CH66 2NU
