

Places available at BATTs series

Author: Paul Stimpson

Posted On: August 14, 2014

Spaces are still available in the first event of the BATTs Super Series on Bank Holiday Monday, August 25.

The event is for a maximum of 32 players, who play round-robin in eight groups of four before advancing to the second stage, where the overall positions will be decided.

Six events will be staged over the course of the season, with points accrued deciding the overall winner – who will win up to £1,000 providing they have played in at least four of the events. Winners of the individual tournaments will take home up to £130.

The series has this season been upgraded to a 2* event, which gives players the same points reward as a three star event.
