Spaces are still available at the Scunthorpe one star, where the prize fund is almost £500.

Adults are guaranteed a minimum of seven matches at the event on Saturday September 6, and organiser Andy Kelly is looking to bump up both the number of entries and the prize fund.

He said: "With most of the top players competing in the grand prix event on the same day in Medway, there will be some good opportunities for some of our 'unsung heroes' to win some good prize money."
