

## The new plastic ball – your questions answered

**Author:** Paul Stimpson

**Posted On:** September 10, 2014

Many of our members have questions about the new plastic ball – from ‘why was it introduced?’ to ‘how does it perform in comparison to the celluloid one?’

The ITTF have produced a question & answer document which addresses these and many other queries.

[Click here](#) to see the document.

If you have any more questions, please contact us via [help@tabletennisengland.co.uk](mailto:help@tabletennisengland.co.uk) and we will do our best to answer them.
