A tremendous number of responses again this week by email, phone and VETTS Facebook. Thank you to everyone who has supplied information about players, venues, event and also additional information on ELCC

winners in past years. A special thank you this week to Jan Johns who has provided 14 additional photographs of Wolverhampton's winning J M Rose Bowl teams. This will be a valuable asset to the Photo Library.

This J M Rose Bowl winning team photo of Judy Williams, Karenza Mathews and Diane Court was taken in May/June 1971, the first year that Coca-Cola were the sponsors, hence their Managing Director making the presentation. At the time the ladies were England ranked 2, 3 and 8 respectively. All three were England Internationals.

Karenza Mathews – reached England No 1 and won 231 senior caps. Karenza played in five World Championships, her most successful year was 1967 when she reached the quarter-finals of the Women's Doubles with Mary Wright and the Mixed Doubles with Denis Neale.

Karenza was a bronze medallist in the team event at the European Championships in 1970 and won team gold in the Commonwealth Championships in 1971, 1973 and 1975. The English Open saw titles in the Women's Doubles in 1970 with Mary Wright, Junior Girls' Doubles in 1965 with Diane Simpson and team event in 1971.

In the National Championships Karenza won the Women's Singles in 1971 and 1972, the Women's Doubles with Mary Wright in 1966, 1967 and 1970, with Jill Hammersley in 1971 and 1972, with Linda Howard in 1973 and 1974 and with Carole Knight in 1975. There were Mixed Doubles triumphs with two partners – Denis Neale in 1968, 1969, 1972 and 1974 and with Chester Barnes in 1971.

Judy Williams – an England International who later also played for the Netherlands. Like Karenza, Judy is a National Champion, winning the Women's Singles in 1969. The following year Judy travelled to Moscow to take part in the European Championships, as a private entrant. She reached the round of 16 with Shelagh Hession in the Women's Doubles. Other successes include a Quadrangular Team Gold medal, quarter-finalist in the English Open in 1962 in the Women's Singles and Junior Girls' Doubles champion with Mary Shannon in 1961.

Diane Simpson – won several medals at National Championships in the 1960s and 1970s.
