This week, we have three photographs from times past at Lilleshall.

A group of young players including Andy Barden along with coaches Susan Howard and Peter Hirst. Names of other players and the third coach are needed, as is the date of the photograph and the occasion.

**Photo 2 (copyright Daily Mirror)**

From an earlier period, September 1964. Watching the two players are second left – Elsie Carrington, Bill Vint, Jack Carrington, Godfrey Decker, Len Adams, Yvonne Baker and Ken Craigie. Any further names would be welcome, as would the occasion.

A group of coaches (not sure what the collective noun is!) taken at Lilleshall, date and occasion unknown. On the far right on the bottom row are Peter Hirst and Mike Lewis. All further information would be appreciated.

There have been lots of responses this week both by email and on Facebook, which have been passed on to me. The interest and the identifications are greatly appreciated. With one or two of the images different names have been put forward, so I have listed the alternatives and if anyone can give a definitive answer that would be great.

A reminder that I can be contacted directly on [DianeK1414@hotmail.co.uk](mailto:DianeK1414@hotmail.co.uk) and that full details of all previous week's photos can be found under 'Our Sport' on this website.
