The #WomenInSport Calendar 2015 – featuring Joanna Drinkhall – is now available.

The calendar showcases the best of British women's sport and also includes the likes of England cricket captain Charlotte Edwards, champion rowers Helen Glover and Heather Stanning and the World Cup-winning England rugby union squad.

Jo features as the face of May on the calendar, having finished fourth in an online public vote from a shortlist of 30 to determine the top 12 female sports stars for 2015.

The shortlist was taken from nominations via Twitter, organised by the not-for-profit organisations WNet and Sport Liberated, which aim to raise the profile of women's sport.

The calendar, neatly designed to fit into a CD case to stand on a desk, also lists major sporting events for women which are to take place in 2015.

The calendar is available to buy online and costs £5.99, including postage and packing.
