I would like to express my sincere thanks to everyone who has contacted me and given information on the series of photographs each week and all those who have said how much they have enjoyed viewing the pictures and taking a trip down memory lane.

Thanks also to those who have sent in some of their old photographs, these will all be added to TTE Photo Archive Library. I would also like to say a big thank you to Paul Stimpson (Senior Communications Officer), who has supported this project from its initial concept.

This week I thought I would show a selection of photos from the very early years. An interesting look at some of the founders of the game as well as of some very prominent England players from the past.

I'll be back in the New Year with more pictures. In the meantime enjoy your Christmas break and my best wishes to you all for 2015.
