Ping! is an innovative street ping pong project which provides people with opportunities to play social and competitive table tennis, free of charge. The aim is to get as many people as possible across the whole of the UK playing – to bring about a sense of community spirit and get more people playing sport.

Ping! sees tables popping up in unusual and remarkable places. Marked 'Stop and Play', the tables are up for all to enjoy. Bats and balls are supplied: to join in the fun just borrow a bat from the side of the table! As well as free-play, each ping-pong table features a varied programme of master-classes, competitions and free to join activities.

Ping! now has over 500 tables in public spaces across the England. Use the drop down box below to find your nearest table.
