Table Tennis in the workplace is a match made in heaven and exercise couldn't be more easy to access; you can't forget your kit because they don't need any, you can't use the excuse of not having cash to pay, because it's free and, "working late" can no longer prevent them getting involved, because Ping-Pong can be available at your work, 24/7.

Table Tennis England have teamed up with Sport England and equipment suppliers to offer superb 'Beat the Boss' packages which include tables, bats, balls, trophies and everything else that you'll need to get your colleagues around the table. What's more, you can save as much as 55% on normal retail prices! It's all part of our campaign to get more people playing table tennis regularly. We love our sport and we're sure you will too!
