PremierClub Membership

Who is it for?

PremierClub Membership is for clubs who wish to join a national network of clubs that work together to grow participation in table tennis and support existing players to create a community from which future Internationals will emerge. It is co-ordinated nationally by Table Tennis England.

During your PremierClub Membership, Table Tennis England staff will support you to work towards Clubmark Accreditation which is Sport England's universally acknowledged cross sport accreditation scheme for community sports clubs. Achieving Clubmark can also open doors to various funding opportunities as many funding bodies actively look for Clubmark accreditation or require clubs to be working towards it before they consider offering funding.
