 With a dramatic conclusion to the Senior Nationals still fresh in the memory, attention now turns to the climax of the Grand Prix season.

A total of four events – two of them satellite tournaments – remain on the calendar, starting with the North Herts Satellite on March 14 & 15.

Entries are still open for the following two events – in Jersey on April 3-5 and in Blackpool the week after.

Entries close for Jersey on Friday March 13, so don't forget to book your place! The closing date for Blackpool is March 25.

The series finishes in London on May 9 & 10, when the champions will be crowned at Redbridge Sports & Leisure Centre.

In the men's series, Chris Doran is in pole position by a long way, holding a 165.5 point lead over Matt Ware in second place. But the women's standings are much closer with Karina Le Fevre out in front, 29.5 points ahead of Emma Vickers, with Abbie Milwain a further 4.5 points back.
