

## Friday Photos No 28: Help find these events and venues

**Author:** Paul Stimpson

There will be no 'Friday's Photos' next week due to it being Good Friday, which means there will be two weeks to get any information to me. Some trickier identifications as several are from quite some time ago, although, there are several well-known faces amongst those shown.

Thank you to everyone who has been in touch since the series started last September. A whole wealth of information has been added to our knowledge and I've had the opportunity of being in touch with some very interesting and nice people. A happy Easter to you all.

Can you fill the blanks in this set of pictures. Emails to [DianeK1414@hotmail.co.uk](mailto:DianeK1414@hotmail.co.uk)
