Take a trip down memory lane and have a browse through our Table Tennis News archive!

Every edition of the magazine, which was published between November 1935 and July 2010, is now available on view on the Table Tennis England website.

It was often said that a table tennis player really knew they had made it if they appeared on the front cover of Table Tennis News.

All the greats of English table tennis down the years are featured, from the Swaythling Cup-winning team of 1953, through the Desmond Douglas era to the early days in the careers of modern England players – Tin-Tin Ho featured on the last front cover in 2010.

Why not delve in and see what you can find!

The archive has been prepared with a great deal of hard work by Graham Frankel from the BATTs club in Harlow, who scanned every edition. Table Tennis England would like to offer many thanks to Graham for carrying out this project.
