

Friday Photos No 29: An Open invitation

This week there are several photographs that were taken at the English Junior Open at Bridlington from 25-27th May 1991. Oh how tracksuits and playing kit have changed since then. The pictures are all of England, Ireland, Scotland or Wales teams. Does anyone know the missing names and where the various players finished in the tournament in both team and individual events?

Entrants to the Open came from USSR, Germany, Sweden, Poland, Canada, Greece, Italy and France amongst other countries.

This looks like a young Richard Hyacinth but who is the other player? Richard went on to gain a full England cap.

Photo 2

Two young England Junior Girls with Maria Thornley on the left, she also went on to gain full international honours. Who is the player with her?
