Posted On: June 03, 2015

Lincolnshire Sport have a new round of coaching bursaries which will open on 1st June 2015 and will close on 31st July 2015.

This is a focused round allowing HE/FE students to get more involved with their college or university sport and take a more prominent role in athlete development to help inspire the next generation of athletes. Lincolnshire Sport want to support those 16+ years old who are interested in getting on the starting ladder for coaching by offering a bursary to students interested in taking the first steps in to coaching.

The application form and guidelines will be available from Thursday 28th May ready for the applications to open on Monday 1st June.
