

Veteran Nationals – please let us know your views

Author: Paul Stimpson

Posted On: August 05, 2015

The consultation period is now open for the new-look Veteran National Championships – and we want your views!

The event will no longer run alongside the Senior Nationals and will instead be a stand-alone tournament for Veterans, featuring singles, doubles and mixed doubles.

It is proposed that the competition be played on one day in July, with singles tournaments featuring a group stage plus consolation event, and doubles on a straight knockout basis.

Proposals for entry fees and prizemoney have also been put forward for consultation.

We are asking eligible players to respond to the following:

Would you enter the Veteran National Championships and, if so, which categories?

Which date would be your preference – Friday July 8, Saturday July 9 or Sunday July 10?

Do you have any other comments on the proposal?

Please send your responses to Competition & Events Manager Amanda Robinson via Amanda.robinson@tabletennisengland.co.uk by September 1, 2015.
