Table Tennis England are passionate about getting the thoughts and feedback of their current and future coaching workforce, to ensure that the support and experiences provided to all coaches meets their needs, the needs of the participants they are delivering to, and therefore helping them to continue to inspire them to enjoy the sport and play it regularly.

As part of this ongoing process, we would like all current and potential Table Tennis coaches to complete a short survey to get a better understanding of their current experiences and the role they currently fulfil. Please could you send out the following text via email/twitter/Facebook through your networks to help us get this as wide as possible. We thank you in advance for your participation. Please click on <http://www.snapsurveys.com/swt/surveylogin.asp?k=143644095940> and have your say! We thank you in advance for your participation.
