

Hunts 2* Open – more female competitors needed!

Author: Paul Stimpson

Posted On: August 11, 2015

Female players are being urged to enter the Hunts 2* Open – and can compete for increased prizemoney this year.

The competition takes place in St Ives on the weekend of August 29 and 30, and the closing date for entries is Monday, August 17.

The prize fund for female players has been increased to £200 for this season, but the organisers are seeking more entries in the women's singles and other female categories.
