This week there is a selection of six photographs from a variety of different occasions. Can you name the players, event and date?

All information is very much appreciated. A reminder that all previous weeks' photos can be found under 'About' and then 'From the Archives' on the Table Tennis England website.

Badge 1

It is believed this is a badge for officials produced around 1966/67. One thought was that it was for the European Championships held in 1966 but another correspondent said it was not. At this time there were also four different colour ties for different categories – grey for umpires, blue for general membership, red for officials and green, category unknown. Does anyone have any more information on these or indeed have any of the original ties?

Badge 2

England badge.

Badge 3

Understood to be the badge for the England Team Captain.

Badge 4. ETTA Europe Cup Badge.

Badge 5. ETTA 3* Coach Badge.

Badge 6. ETTA Host 8 Badge.

No information.
