The draw for the Bristol Grand Prix has now been released.

The event on November 14 and 15 features a bumper field of almost 200 players, including David McBeath, winner of the Men's Singles last time out in Aldershot.

Please could we also remind all players who have been successful that they are expected to umpire after they have been knocked out of each event they enter. This ensures the Grand Prix runs as smoothly and as close to time as possible – even more important at bust events such as this.
