Table Tennis England's new Coaching Portal is now live!

The portal allows visitors to renew or apply for a coaching licence, book places on coaching courses and book a place at the 2016 coaching conference, and download resources to help with their Continuous Professional Development (CPD).

The portal was developed after feedback from coaches highlighted the need to update and simplify these processes.

Coaches can login to the system using their TT ID (formerly their Membership Number) and existing password.

Coaches should receive an email from Table Tennis England with more details in the coming days.
