A Coaches CPD day was attended by 23 coaches from around the North West and Yorkshire Regions on Saturday, 6th February at the Ian Robinson Sports Centre, Liverpool. All the Coaches thoroughly enjoyed the session on the day, which was organised and delivered by the Table Tennis England North Area staff.

The Coaches in attendance were from a variety of clubs who are doing some great Table Tennis delivery work, so the session on delivering engaging sessions went down really well with the coaches, with lots of interaction and discussion having taken place amongst the group.

The next CPD day in the North Area will be taking place on 13th March, 10am-1pm, Bishop Auckland.
