Places for the 10th NatWest Jersey Open – which doubles as a Satellite Grand Prix – are filling up fast.

The Jersey TTA is urging those wishing to compete to get their entries in to Deputy Referee Diane Webb urgently as there is a limit on the number that can be accepted for the event from March 25 to 27.

Tournament organiser Chris Band said: “The JTTA look forward to welcoming their many friends from Table Tennis England and the rest of the home countries to what we are sure will be a fantastic three days of competition liberally laced with some legendary Jersey hospitality.”
