MyPlace Youth Centre in Harold Hill have launched a new Table Tennis Club! The club has four brand new tables that have been kindly donated by Essex County Association, Havering Borough Council and Tapestry.

The club has ambitious plans to provide the opportunity to play the sport to adults and youngsters in the local area, which has been identified as lacking Table Tennis Facilities. Initially the club is offering sessions on Tuesday mornings and Thursday afternoons to adults. The club is the brainchild of Colin Sherrin, a qualified coach who provides coaching tips during the sessions and has worked tirelessly to get the club launched.

MyPlace Youth Centre is based at 343 Dagnam Park Drive, Romford, RM3 9EN.

Please see below some pictures from one of the first sessions at the new club –
