Places are filling up fast for this summer's Table Tennis England Hopes Camps.

There is a maximum of 20 places on each residential training camp at Grantham College. There is one camp for under-13s and one for under-15s and under-18s.

Led by Table Tennis England performance coaches, the camps also provide a chance for players intending to apply for England Youth Squad places for 2016/17 to have their assessment.

The under-13 camp is from August 15-19 and the under-15 and under-18 camp from August 22-26. Both cost £225, which includes five evenings' accommodation, food from evening meal on day one to lunch on the last day, all training costs, all coaching and sparring costs and House Parents' support.

Training Venue: Grantham College, Stonebridge Rd, Grantham NG31 9AP. Tel: 01476 400200

Players can apply to attend either course by emailing Melanie Allen (melanie.allen@tabletennisengland.co.uk) no later than Friday May 27, 2016.
