

Sprowston Community TTC

Author: Guest

Posted On: May 05, 2016

Sprowston Community Table Tennis Club has been running since November 2015 on the back of a successful Sport England bid for tables and equipment. Then with the help of Active Norfolk a Satellite club began. Since then a Fit & Fun session for the inactive and the Satellite club have amalgamated into a two hour weekly session running on Mondays 7pm to 9pm. The session is open to all ages and abilities with coaching, social play and competition offered for those that want it. Presently there are over twenty members regularly attending to pay and play.

A successful coaching Weekend.

The club recently held a successful coaching weekend with international coach Migual Ventura leading the sessions. There was a good mix of players from top players across the region, as well as juniors and local club players. In total sixty four players attended across the three days of practice.

In July Hannah Hicks is attending the club to run a junior training camp. To help with the camp sponsorship has been obtained from Norfolk Motor Group who will supply the participants a towel and drinks bottle.
