Tickets for the 2016 School Games – a major multi-sport competition for the UK's best young athletes – are now on general sale with an early bird discount available until August 31.

From September 1-4, 1,500 athletes will compete in 12 sports, including table tennis, at Loughborough University. The four-day spectacular is supported by National Lottery funding from Sport England and delivered by the Youth Sport Trust.

The athletes will be following in the footsteps of some of Britain's biggest sporting stars who have seen the School Games as a launch pad to their international success, many of whom will be competing in Rio this summer.

Tickets are now available for all sessions of competition across the 12 sports by [clicking here](#)
