

CPD Opportunities in Dorset

Author: Paul Stimpson

Posted On: May 18, 2016

Calling All Coaches!

We have 3 CPD opportunities coming up at **Dorset Table Tennis Centre**. We wholeheartedly recommend these in terms of content but also to ensure your coaching licenses can be renewed in the coming months.

Delivering engaging sessions for young people in clubs and schools
Saturday 28th May 10am – 3pm

Deliverers on this day will be:

- **International Capped Player and UKCC Level 2 Coach Matt Ware**

Matt will be delivering an exciting session to young players for coaches to observe and get involved in if they wish. Coaches taking part will also have the opportunity to share their best practice with the other coaches.

- **International ETTA 4 Level Coach Rowden Fullen**

Rowden will be exploring the stages of development in young players. Coaches will learn how to best support their players and enable them to fulfil their potential.

- **James Lewis UKCC Level 2 Coach Specialist in Table Tennis in Schools**

James will be sharing his experience of running Satellite Clubs which normally each attract 30 + participants

each week. He will also share exciting new insight from Sport England "Under the Skin" From this session coaches should be able to recognise more clearly the personalities of their participants and how to deliver sessions which will want them coming back for more!

To sign up for the May CPD course please log on or create a free account on the Table Tennis England portal by [clicking here](#)

Safeguarding & Protecting Children and Emergency First Aid

Saturday 23rd July – Safeguarding & Protecting Children (10am-1pm) & Emergency First Aid (2pm-5pm)
