I had many replies to last week's photos with a fair bit of additional information on the pictures. My thanks go as always to all who have contacted me.

Any information this week or for previous weeks would be much appreciated . I can be contacted on [DianeK1414@hotmail.co.uk](mailto:DianeK1414@hotmail.co.uk)

Another five photos this week and again an eclectic mix.

It was based in Stockwell before moving to Wallington and had annexes around the capital including Croydon and Wood Green. It soon became a hot bed of talent in London, Surrey and Sussex. The 'Rejects' are now known as 'Crusaders' and the club continues to produce many county cadets including the current Surrey number 1 and 2.
