Yorkshire Region are looking to recruit new players to their squads for the new season to train at their impressive new sixteen table centre at Pontefract Squash and Leisure Centre. The Regions' top ranked and also younger developing players receive quality practice and coaching with top sparring partners every Friday evening and this is a great opportunity for any player with potential to be selected to join either the Performance or Development squads to gain extra training in addition to their existing club sessions. The Assessment Day will be on Sunday 18th September, 1.30pm- 5pm and players will be assessed on their technical, physical and tactical abilities. Interested applicants should complete and return the attached form to Alan Lowe. If you are unable to attend but would still like to be considered please still return the form.
