

Time to apply for School Table Grants

Author: Paul Stimpson

Posted On: August 31, 2016

Today, we launch the School Table Packages and Activity Grant Scheme for the 2016/17 season, making it even easier for schools to introduce or expand their table tennis provision.

The School Table Packages scheme allows primary schools to apply for grants of £300 to help meet the cost of our [indoor and outdoor table tennis packages](#).

And for those schools which want to set up their own table tennis club, or build links with a club in their community, Activity Grants of up to £400 are also available.

To apply for the School Table and Activity Grant schemes, schools will need to complete and submit an [application form](#). Please note that the Table Grant Scheme is currently available to Primary Schools and Special Schools in England only.

Applications will close at 5pm on Wednesday 28th September, 2016.

Schools that are not eligible for the grant schemes can still benefit from our indoor and outdoor table tennis packages, which are offered at a fantastic rate to all schools in England catering for ages 5-16 years.

Simply [choose your package](#), read our [FAQs](#) and complete our [order form](#)

If you have further questions please contact us on schools@tabletennisengland.co.uk or 01908 208893.
