This will be the first Table Tennis Hub in the southern part of the borough, and will aim to replicate the success of Camden Table Tennis Club, based at Sidings Community Centre in Kilburn.

A weekly session will take place at Basil Jellicoe Hall, running from 2-3.30pm for adults and older adults, followed by a session specifically for young people from 3.30pm-5pm.

Coaching will be provided to participants and players of all abilities are encouraged to play and enjoy the use of the three tables!

A special thank you goes to Origin Housing who are supporting the project, and allowing the club free use of the Basil Jellicoe hall.

The club will launch on Wednesday 28th September.
