Shoppers at The Airedale Centre in Keighley are enjoying using two new tables that were a legacy donation from the Bradford Olympic Fanzone event. The tables in the busy shopping centre in the centre of Keighley are proving very popular and the launch event last Saturday was an ideal opportunity for local club Haworth Hawks to advertise 'Play On' opportunities at their club at the Keighley Table Tennis Centre. Keighley Table Tennis Centre Director Andy Bray commented ' This is an ideal way for us to promote both Haworth Hawks Table Tennis Club and our dedicated Table Tennis Centre. Whilst we have a growing membership we are always looking at attracting new members to access our varied programme of activities.
