A great day for Corby Smash regulars as three out of the five groups were won by the players who work or practice at the home centre.

Group 1 was taken by Centre Manager Tony West who used his home advantage well to win all seven of his matches and top the group. Highlights were two five setters with Martin Gunn (Avon) who was runner up, and in the last match of the day against Pat Glynn (Warwickshire) who himself had only lost to Gunn. West saved three match points in the fifth and went on to win 12-10 in what was a terrific way to end a great days play. The Classy Anthony Corbin finished in fourth place.
