The Table Tennis England shop is open for business, selling a range of quality merchandise.

We have partnered with Hydra Sports to offer a series of T-shirts and hoodies with a table tennis theme, plus other Table Tennis England gifts, with more products due to be added in the coming months.

The clothing was on sale for the first time at the recent England versus Greece European qualifying match and was well received by spectators.

We have now added the shop to our website, where you can place an order for delivery. Why not have a browse and let us know what you think?
