Dozens of dedicated volunteers have been recognised by their clubs as part of the Pride of Table Tennis Awards.

The Club Volunteer of the Year Award allows clubs to recognise their volunteers' incredible work, which enables them to develop and grow as a club.

Winners have been awarded a Table Tennis England Pride of Table Tennis certificate to recognise and celebrate their achievements. This award has been celebrated in many ways including at presentation nights, league matches, training sessions and meals with table tennis players, families and communities.

If you haven't already please let us know how you celebrated by sending us your pictures and reports to [prideoftabletennis@tabletennisengland.co.uk](mailto:prideoftabletennis@tabletennisengland.co.uk) or send us a tweet **#PrideOfTable**.

All those honoured by their clubs will be put forward for a Regional Award under the Pride of Table Tennis Awards. The winners will be announced early in the new year.

The overall national winners of the Pride of Table Tennis Awards will be revealed at an awards ceremony during the PG Mutual National Championships on Saturday March 4, 2017. Nominations closed on November 7, with more than 200 nominations received across a number of categories.
