

Bristol Academy Junior 1* cancelled

Author: Paul Stimpson

Posted On: January 24, 2017

With regret we have to announce that due to lack of entries the Bristol Academy Junior 1 Star Tournament due to be played on Sunday February 12 is cancelled.

From the entries received it would simply have not been possible to create a schedule of play for competitors where they would have had a sufficient number of matches to make it worth them entering.

It is unfortunate that we have had to reach this conclusion but with costs of entry fees and travel this is the only sensible decision to take.

All competitors who have entered will be contacted concerning entry fee refunds.
