

Welcome to the February clubs newsletter

Author: Paul Stimpson

Posted On: February 01, 2017

The latest edition of Table Tennis England's clubs newsletter is now out.

Dear Clubs,

Welcome to the first Clubs newsletter of 2017! As always, I hope you will find the stories and content within this newsletter useful for your Club's development.

At a time of New Year's resolutions, if attracting more members is a target for your Club in 2017 you might be interested in a new Club Matters resource. The Club Matters team have developed guidance which outlines their top tips for how you can achieve this goal. The guidance can be found [here](#).

Here at Table Tennis England, we are keen to understand more about the support Clubs need from us. The following survey will be used to help shape Club support moving forward. If you are able to spare 5 or 10 minutes to tell us your thoughts on how we can better support your Club, we would really appreciate your input! [Click here for the survey](#).

There are a few dates to remember mentioned in this newsletter, so here are the headlines;

- **Friday 10th February – Booking Closes for Club and Volunteer Conference**
- **Friday 10th February – Club Table Grant Scheme Closes**
- **Friday 17th February – Club Survey closes**
- **Sunday 26th February – Club and Volunteer Conference, Nottingham**

Thank you all for your continued commitment to delivering table tennis – if you have a story you would like to

share in our newsletter that you feel could help other Clubs, please contact development@tabletennisengland.co.uk. We would love to hear from you!

Best Wishes,

Claire

Clubs Officer
