Sam Walker has signed with German Bundesliga club Grünwettersbach for a further year.

The England No 3 has been with the club for the past three season and this week signed a new one-year deal.

He said:

"I'm really happy to be able to stay in Grünwettersbach for another season even though this season my results haven't been as good as I'd have hoped.

"It shows that they are behind me and are ready to invest for the future and I want to give that back to the club."
