Marcus Giles and Tin-Tin Ho have just returned from playing in a very strong Euro Mini Championship in Strasbourg.

Tin-Tin Ho finished 4th in the girls U12 event. After a tough initial group match Tin-Tin found her form and produced some excellent table tennis to progress through to the semi-final. Here she faced the much improved Audrey Zarif of France losing 3-1. Tin-Tin then went on to play defensive player Maria Malanina (Russia) losing 3-0 in the third and fourth place play off.

In the Boys U12 event, Marcus Giles put together a string of good wins to finish joint 9th in the consolation event after being knocked out of the main event at the second group stage. In the main draw Marcus had a very tough group where he faced the eventual winner Ka Tak Hung of Honk Kong.
