Table Tennis England has launched a National Table Tennis Survey to help us shape our strategy to give our members the best possible experience.

We want to understand more about the table tennis experiences of our members, so we are asking all our members to please take 10 minutes to tell us what's great, what can be improved, and how we can help you achieve what *you* want in table tennis.

As a thank you for completing this survey, everyone who takes part will be entered into a draw to win one of the following fantastic prizes:

First prize: An invitation to join in at an England training camp for you and three friends from your club or league. You will get to take part in the session with an England squad, and also receive an hour's coaching session at the camp from an England coach just for you and your friends.

Second prizes: One of two bats signed by Rio 2016 Olympians Paul Drinkhall, Liam Pitchford & Sam Walker with an accompanying team photo.

Third prize: £50 merchandise voucher for the Table Tennis England store.

The survey will remain open until May 8, with the prize draw taking place on May 11.
