

## Step back to the start of table tennis time!

**Author:** Paul Stimpson

**Posted On:** April 20, 2017

England features heavily in a new ITTF film which looks at the highlights of 90 years since the world governing body was formed.

The role played by Ivor Montagu in the origins of the international federation, the organisation of the first World Championships and countless other milestones, including the inaugural ITTF Pro Tour event in Kettering in 1996, are covered in the film.

Click below to watch the film.
