Now is the time to book your club's place at one of the best networking and development opportunities in grassroots table tennis!

The latest Table Tennis England Club and Volunteer Conferences are scheduled to take place at the University of Worcester on September 9 and Fulham Football Club on September 30.

Clubs and volunteers are invited to join us on either day for an event packed full of workshops and networking opportunities.

Delegates can get to know their neighbouring clubs, meet Table Tennis England head office staff and participate in a variety of workshops all designed to support club development.

What's more, delegates attending the Worcester conference will also receive a free ticket to watch the Europe Youth Top 10 event, which is taking place in the venue during the same weekend.

The invitations are open to two members per club. The Conference will be aimed at volunteers holding committee roles and key administrative posts within regions, counties, leagues and clubs. Please note that spaces are limited.

The days will run from 10.30am to around 3.30pm.
