Apsolut Group emerged victorious in the Corporate Table Tennis finals day.

Eight teams were in action at Bounce Holborn, where the quarter-finals, semis and final were all played consecutively on their Olympic and World Championship tables.

With teams of three, the format was two singles and two doubles matches and, if the score was level at 2-2, the players who had not featured in the singles matches met in a one-set shootout to decide the winner.

Apsolut needed that method to get past Right of Light 3-2 in the quarter-finals and they then defeated Jacobs (Reading) 3-1 in the last four before sinking Barclays 4-0 in the final.

The closing date for entries for next year's competition is December 29. For more information and to find out how to enter for next year please visit [www.corporatetabletennis.co.uk](http://www.corporatetabletennis.co.uk)
